# Understanding Your Rank

Rank is your academic standing compared to all the other students in your grade level. Recalculated at the end of the semester and summer.

*\*new students aren't ranked until they have completed a semester at SMHS*

Based on:

- GPA
- total credits
- # of honors/AP courses

# Math or ELECTIVE: 4 credits required

- Algebra 1
- Geometry or Geometry H
- Algebra II or Algebra II H

## Math 4<sup>th</sup> Credit

- Financial Algebra
- College Math
- AP Statistics
- College Algebra H (needed for higher math options)

- ▶ Higher Math Options - NOT REQUIRED
- ▶ Brief Calculus
- ▶ Pre Calculus
- ▶ AP Calculus I
- ▶ AP Calculus II

Account for  
required  
classes first!

# Fill in required Math first, then optional math courses or electives

## Example 1

3. Math or Elective	<i>Financial Algebra</i>		
4. Math or Elective	<i>Art II</i>		
	Choose One:		

If you don't need a Math the line can become an elective choice.

**\*\*WE RECOMMEND THAT YOU TAKE AT LEAST ONE MATH CLASS EACH YEAR UNTIL YOU GRADUATE\*\***

## Example 2

3. Math or Elective	<i>College Algebra H</i>		
4. Math or Elective	<i>Pre-Calculus</i>		
	Choose One:		

Pre-Calculus is still technically an elective because you are electing to take it because it isn't required for graduation.

# Select a Science (3 lab sciences are required for graduation)

5. Science	<p><i>Choose One:</i>            Environmental Science, Earth Science, Chemistry, Physics, Human Phys. or            Biological Application &amp; Technology            (AP and Honors please refer to course sequence)</p>

AP Biology

## AP/Honors Alternating Options

**\*Plan ahead if you want these courses**

AP Physics (Plan to offer in 2025-26)

AP Chemistry (Plan to offer in 2026-27)

**\*\*Some universities require sciences from three different disciplines**

**SO MANY**

**ELECTIVE**

**OPTIONS!**

**CLASS OF 2027**

# What to consider when picking electives?

- ▶ What do I want to explore or prepare for as a future career?
- ▶ Where do I plan to be after graduation?
- ▶ Have I taken the prerequisites?
- ▶ Do I need to provide my own transportation if not at SMHS?
- ▶ You may end up getting an alternate. Choose carefully!

# Proposed Course Offerings

## PROPOSED COURSES OFFERED AT SMHS

\* Selecting these courses will determine the master school schedule for next school year.

\* Please review the course description in the Course Offering and Description Handbook and check the necessary pre-requisite(s). This guide can be found online at <https://sapps.peoriahd.k12.az.us/coursedescriptinguide>  
Click on "Students" then "Guidance and Counseling" then "Course Description Guide."

\* Some courses listed in the required areas (Language Arts, Math, Science, and Social Studies) can be used as electives and/or university requirements.

\* REMINDER: Courses listed below are proposed for the next school year. The final decision to offer a course will be dependent upon the following factors: Classroom space, Availability of a certified teacher, Enrollment standards are met (a minimum number of students enrolled), and Ability of the district to financially support the program. Courses marked DE are courses that have the option of being offered for college credit if the teacher is dual certified. Final determination will take place after the master schedule is built.

**\*\*IF INTERESTED IN THE UNIQUE ELECTIVES OFFERED AT OUR SISTER SCHOOLS, PLEASE SEE YOUR COUNSELOR.**
