Commonly asked questions

How do I apply to West-Mec?

Go to West-Mec.edu, explore programs and attend an open house. Once you are sure you want to apply, go to the West-MEC website, click on "apply now", click on "High School Application", complete the application and self-evaluation, print the application form and have a parent sign it, return to your guidance counselor. December 19th, 2023 is the priority deadline.

Can I apply for more than one program?

Yes! Please prioritize your choices on one application.

When will I know if I was accepted into a West-MEC program and when do I change my SMHS classes?

Students are typically notified in March of their application status or if they were placed on a waiting list. Your guidance counselor will talk with you after that time if they have any questions about your class schedule.
